

YOUR LEARNING SURFACES FULL LIFETIME WARRANTY

Every time you purchase a LEARNING SURFACES product, you're making an investment in your future. We're proud to play a part in that future, and you can trust us to do our best for as long as you need us.

The LEARNING SURFACES Full Lifetime Warranty is our assurance to you that the LEARNING SURFACES products you purchase will be free from defective material or workmanship for the life of the product.

In the unlikely event that any LEARNING SURFACES product or component covered by the LEARNING SURFACES Full Lifetime Warranty should fail under normal use as a result of defective material or workmanship. LEARNING SURFACES shall repair or replace with comparable product (at LEARNING SURFACES's discretion), free of charge excluding installation labor.

WHAT'S COVERED BY THE LEARNING SURFACES FULL LIFETIME WARRANTY?

Your LEARNING SURFACES Full Lifetime Warranty applies to All LEARNING SURFACES product lines, materials, and components. The warranty applies to LEARNING SURFACES products sold within the original purchaser.

IS ANYTHING NOT COVERED?

There are a few exclusions to the LEARNING SURFACES Full Lifetime Warranty. These exclusions are:

- Installation
- Electrical Components 1 year or manufacturers warranty whichever is greater.
- Color-fastness or matching of colors, woodgrains, or textures occurring in wood, leather, or other materials that naturally exhibit inherent color variations.
- Customer's own materials (COM) selected by and used at the request of a user.
- Modifications or attachments to the product that are not approved by The LEARNING SURFACES Company and product failures resulting from such modifications or attachments.

- Product normal wear and tear, which is to be expected over the course of ownership.
- Products that were not installed, used, or maintained in accordance with product instructions and warnings.
- Products used for rental purposes.
- Damage caused by cleaning chemicals.
- Dye transfers caused by external contaminants (including clothing and accessory dyes such as those used on denim jeans) may migrate to lighter colors. This phenomenon is increased by humidity and temperature and is irreversible.
